

Visa payWave / Mastercard Contactless / UnionPay QuickPass Service

Important notes on contactless payment transactions

Cardholders can make purchase at local or overseas merchants that accept Visa payWave / Mastercard Contactless / UnionPay QuickPass contactless payment. Simply tap your credit card on the payment terminal to complete the payment without the need of signing the sales slip.

Notes:

1. When using the Visa payWave / Mastercard Contactless / UnionPay QuickPass to make payments, for transaction amount that is less than or equal to \$1,000, no signature is required. While transaction amount that is greater than \$1,000, the merchants may require you to sign on the sales slip as confirmation.
2. The contactless payment function of Visa payWave/ Mastercard Contactless / UnionPay QuickPass will not be disabled even though the credit card reported loss. The cardholder should notify the Bank immediately if there is any abnormal or unauthorized transaction on the credit card account. If the card is lost or stolen, the cardholder shall be liable for the loss of the available balance arising from the use of the contactless payment function.
3. Some of the UnionPay QuickPass transactions are not supported by HKD UnionPay Credit Card, including but not limited to bus fare, parking meters and parking lots etc.
